

SHANTA BUILDCON
Buildings that bring Peace

Poonam Enclave

A landmark commercial address in the heart of **Bhakti Nagar, Rajkot.**

Rising seven stories high with the **Indian tri -colour** proudly waving at its crown, **Poonam Enclave** is a thoughtfully designed commercial building that combines functionality with elegance.

Featuring **premium office spaces** , **high -footfall retail outlets** on the ground floor, and **ample basement parking** , this modern structure is equipped with **dual elevators** , **24/7 security** , and **future -ready infrastructure** —making it the perfect destination for thriving businesses and ambitious entrepreneurs.

Artist 's

FLOOR PLAN- TYPICAL

Effortlessly Functional. Elegantly Designed.

Each floor of Poonam Enclave features well-planned office units.

With clean, column-free layouts and ample natural light, the floor plan is designed to support a wide range of business needs—from boutique firms to growing enterprises.

FLOOR PLAN- GROUND

Where First Impressions are Made

The ground floor at Poonam Enclave features well - positioned retail units each, ideal for high -visibility businesses.

A sleek reception area welcomes visitors, complemented by a dedicated *murti* space for spiritual balance.

Vertical access is supported by two elevators —a *standard passenger lift* and a *stretcher-compatible lift* , ensuring both comfort and utility.

Designed with simplicity and function in mind, this entry level sets the tone for a modern commercial space.
